Modes Of Payment for the 2023 GSTV - Cash

- 9 Since 2021, the Ministry of Finance has been using PayNow-NRIC as the default payment mode for citizens who have linked their NRIC to PayNow. Citizens are encouraged to register for PayNow-NRIC by 21 July 2023 if they have accounts with the ten participating banks in Singapore. By doing so, eligible citizens will be able to receive their 2023 GSTV earlier from 1 August 2023. Please visit the GSTV official website for the list of participating banks.
- Those without PayNow-NRIC linked bank accounts may also update their bank account information (with DBS/POSB, OCBC or UOB only) at the GSTV official website <u>by 30 July 2023</u>. Those receiving payments via direct bank crediting will be able to receive the payment from 11 August 2023.

GovCash to replace cheques as a Mode of Payment for GSTV - Cash

- From 2022, GovCash has replaced cheques as the mode of payment to citizens who have not provided their bank accounts or linked their NRICs to PayNow. Citizens on GovCash may withdraw their GSTV Cash at OCBC ATMs island wide by entering their 1) Payment Reference Number (PRN) that will be sent to them <u>from 21 August</u>, their 2) NRIC, and after passing the 3) facial verification. They do not require an OCBC bank account to withdraw the payment at the OCBC ATMs.
- GovCash recipients may also use the LifeSG app to make payment to merchants by scanning their PayNow or NETS QR code, or transfer payments to their bank accounts via PayNow if they subsequently register for PayNow-NRIC.

Singpass App as a Mode of Notification

- 13 <u>Eligible recipients will only be notified in August 2023 after their GSTV Cash and/or GSTV MediSave has/have been credited</u>. Those who have downloaded and completed their one-time setup on the Singpass app will receive GSTV notifications in their app inbox. Those who have not downloaded nor completed their one-time setup on the Singpass app but have registered their mobile numbers with Singpass will receive SMS notifications.
- To guard against scams, the SMS notification (sent by "GSTV") will only <u>inform</u> citizens of their benefits. Citizens will <u>not</u> be asked to reply to the SMS, click any links, or provide any information to the sender. No messages on GSTV will be sent via WhatsApp or other mobile

app messaging platforms. Citizens are encouraged to download the Singpass app from the official app stores (e.g. App Store, Play Store or Huawei AppGallery; check that the app is developed by "Government Technology Agency") to receive secured notifications from the Government.

Ministry of Finance Singapore 4 July 2023

About the GST Voucher

The permanent GST Voucher (GSTV) scheme was introduced by the Government in Budget 2012 to help lower- and middle-income Singaporeans offset some of their GST expenses. It has four components - Cash, MediSave, U-Save, and S&CC Rebate. The GSTV – Cash provides lower-income Singaporeans with some cash for immediate needs and is paid every August. The GSTV – MediSave provides senior Singaporeans aged 65 and above with a CPF MediSave account top-up to support their medical needs and is also paid every August. The GSTV – U-Save provides rebates to lower- and middle-income HDB households to offset their utilities bills every January, April, July, and October. The GSTV – S&CC Rebate offsets eligible Singaporean HDB households' S&CC payable every January, April, July, and October.

More information on the GSTV can be found at gstvoucher.gov.sg.
